CULTURE**

**FACILITIES
TO WATCH
OUT FOR**

Why work out of a traditional working space when there is a cool option to explore? Taking the co-working space concept in Bengaluru to the next level, Peridot Solutions is a shared office space located in the heart of the city and designed to accommodate professionals from different walks of life.

At Peridot Solutions, we provide you with state-of-the-art facilities so that you can be at your productive best. While taking utmost care of your working style and privacy, we make sure you have enough co-professionals around to talk and network with! Surf through our key features to find out more about the space:

COMFORTABLE SEATING DESIGN

Are you the chit-chat working kinds or the one who loves to work in solace? Don't worry, as we have got you both covered!

30 seats available at our open seating area

3 air-conditioned cabins with 6 workstations at the reserved seating section

Dedicated meeting rooms, conference rooms and training rooms

EASY ACCESS AND LOCATION

Rushing for meetings or quick lunches were never this easy – thanks to our location!

Walkable distance from metro station (Green Line)

In close proximity of food joints and eateries

Easy access of public transport

GREAT WORK CULTURE

Get a break from office gossip and politics and experience engaging conversations.

Work with people from different backgrounds

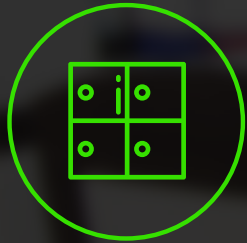

Opportunity to exchange ideas and network

FACILITIES TO WATCH OUT FOR

Make the most of your
working hours!

Ample storage
with personal
locker facility

High speed
WiFi
